Oh I am so tired

Text: Lore Kleikamp / Musik: Detlev Jöcker

Oh, I am so tired.
I could fall asleep.
Let me see what's going on.
Now I am on my feet.
I stamp down with my left foot,
my right foot does the same,
I stretch my arms and shoulders
and then relax again.
My tummy starts to wobble,
my legs begin to shake,
see my hands are clapping,
I think I' wide awake awake!

Mum is making a birthday cake.

and I need some advice for school,
Mum will help me with my English
and in Maths Dad knows the rules.

Pizza, chips and ketchup

Text und Musik: Detlev Jöcker

- 1 Next to the little restaurant round the corner in our street
There's a really good Italian pizza place.
When we go out with our parents we can order what we like:
"A large pizza and a salad and some chips!"

Before we get our lovely pizza, we want garlic bread.
It's delicious and smells full of garlic, wow!
When the pizza comes with mushrooms, pepperoni, cheese and ham,
all the children want to have their first piece now!

Refrain:

"Hey, pizza, chips and ketchup
And chips with everything."
When we go to a pizza-place,
Pizza is the thing.
"Give us all some pizza.
We are the hungry kids.
We want some chips,
With ketchup, please.
We are the hungry kids!"

- 2 When we are really hungry it is time for fish and chips,
All our family is so terribly fond of chips.
No more sandwiches, no burgers, no more crisps, no tea, no dips.
We are waiting at the counter for our chips.

Salt and vinegar is our favourite taste for chips,
We're so hungry, we can't wait for our chips.
All the chips are hot and salty and are served with ketchup now:
This is why we are so fond of fish and chips.

Refrain:

"Hey, pizza, chips and ketchup

T-shirts, jumpers, uniform

Text: August van Bebbber / Musik: Detlev Jöcker

- 1 "I would like to wear a cap."
"Sorry, no, there are no hats."
Outside of school I wear my shirt
outside my trousers or my skirt.

Refrain:

Skirts and ties and shirts and blazers
ugh, that's what we wear at school.
A T-shirt, trainers, jumpers jeans
is how we all feel really cool.
Skirts and ties and shirts and blazers
is what we all wear at school.
A T-shirt, trainers, jumpers jeans,
Yyes, that's what makes us really cool.

- 2 Do your tie and wear your shirt.
"Must I wear a longer skirt?"
A shirt with tie is much too tight.
We just don't think it looks quite right.

Refrain:

Skirts and ties and shirts and blazers ...

- 3 Uniform is just the same
every day, it is a shame.
In Sport and Maths we look so smart,
sometimes we find it much too hard.

Refrain:

Skirts and ties and shirts and blazers ...

puts his nose up in the air.
He is so good at sniffing things
and he keeps sniffing everywhere.

- 1 Ketchup, he scents with his nose:
Oh, yes, it is an eating house.
Bacon, sausages and chops
Oh, this must be a butcher's shop.
Meat and bones smell wonderful.
For many miles - this is a rule.
He is hungry all the time.
A butcher's shop, that would be fine!

Snoopy Sniff Snuff Nose ...

- 2 He is sniffing lovely smells:
A baker, he can smell it well.
Cakes with cream and apple pies
oh, what a feast for his nose and eyes!
He tries all his favourite foods:
He cannot stop, it tastes so good.
Party time for Snoopy's nose
means super sniffs wherever he goes.

Refrain:

Snoopy Sniff Snuff Nose ...

Snoopy, Snoopy, (woof, woof)
Snoopy, Snoopy, (woof, woof).
Snoopy, Snoopy, Snoopy, oh, yeah!

- 1 We are good at football.
Football is the best.
We are playing football.
Let's begin the test.
This is football fever.
We must win the match.
We are fighting harder.
Oh, yes, we will be the best.

Refrain:

Yes, we are good at football,
and we will win the match.
Yes, we are good at football,
We mustn't lose, we'll always win.
Oh! Yes, we're so really good at football.
Oh! We mustn't lose, we'll always win.

- 2 Jimmy blows the whistle.
(The) match is on its way.
Tom shoots, there's the whistle,
this is our day!
Paul passes to Peter,
Peter does a trick,
Phil prepares a header,
Tony does the final kick.

Refrain:

We are good at football ...

Bridge:

We are running faster.
We are in the lead.
Everybody's cheering,
this is what we need.

this is their last chance,
we are all on top form.
There's the whistle, we all dance!

Lots of people

Text: August van Bebber / Musik: Detlev Jöcker

- 1 Smaller people, taller people,
older people, younger people,
they are everywhere.
Busy people, lazy people,
noisy people, silent people,
you find them here and there.

Refrain:

When you're walking in the street you see them all:
Lots of people who are very busy.
When you try to cross the street,
you find it's full:
Lots of people (lots of people)
lots of people (lots of people)
lots of people
who can make you dizzy.

- 2 Little children, older children,
noisy children, silent children,
they are everywhere.
Peaceful children, angry children,
active children, passive children,
you find them here and there.

Refrain:

(When) you go home from school,
your mind is full of them:
Lots of children who are moving 'round you.
When you close your eyes,
you feel they're always there:
Lots of children, (lots of children)
lots of children, (lots of children)
lots of children,
who are playing 'round you.

- 3 Little boys and little girls
and teen-aged boys and teen-aged girls,
they are everywhere.
Grown-up men and grown-up women,
Very old men and very old women,
you find them here and there.

Refrain:

All of us we like to share our lives with someone
who we like and who we care about.
That is why all over there are young and old,
sharing love, (sharing love)
sharing love, (sharing love)
sharing love with some, where there's no doubt.

Summer, sun and no more rain

Text: August van Bebbber / Musik: Detlev Jöcker

- 1 We are flying no one's crying.
We are leaving England's coast.
School's behind us, Spain awaits us.
No more rain and busy roads.
Happy welcome, every day sun.
We relax in sunshine land:
Long siesta, great fiesta,
dancing to the Spanish band.
Swimming outside, it's a highlight,
in the pool or in the sea.
Playing beach ball sailing with all
have a dinghy just for me. Oh!

Refrain:

Summer, sun and no more rain,
that's the kind of life I dream of.
Summer, sun and no more rain,
that's the life I lead in Spain:
Summer, sun and no more rain.
that's the kind of life I dream of.
Summer, sun and no more rain,
that's the life I lead in Spain:
Summer, sun and no more rain.

- 2 2. It is sunny. Life is funny.
We have ice cream every day.
Rain's forgotten, school's no problem,
when we are on holiday.
Eat paella, dance Flamenco,
Celebrate and meet good friends.
Farewell parties, singing shanties,
say goodbye because it ends.
We will come back here again.
We can't live without the sun.
We're off from Spain, hope there's no rain,
when we're landing, that's no fun.
Oh!

Refrain:

Summer, sun and no more rain ...
